the undersigned has received instructions from the Government of India to arrange for the discharge of such notes as are enfaced for payment of interest at any Mofussil Treasury in India, at the Treasury to which they are enfaced.

Accordingly, if any holder desires to receive payment in this way, in preference to presenting his note for discharge at the Calcutta Public Debt Office (where alone payment is legally claimable), he is to receipt his note for discharge in the following form :—

"Received, through the Treasury Officer of Rupees (in words), in payment of this note, together with overdue interest up till the date of discharge (quoting above date), Rupees (in words).

(Signed) "

The Treasury Officer will forward the note so received to the Public Debt Office, Calcutta, from which, if the payment is passed, he will receive a special form of order, on his own Treasury, in favor of the holder of the note. This order will be paid on the holder's receipt.

The above directions apply also to notes of which the interest is paid at the Public Debt Offices of Madras and Bombay.

This arrangement ceases to have force six months after the date fixed for the discharge of each loan. After that interval, notes will be payable only at the Public Debt Office, Calcutta.

With reference to the notification of the Government of India, No. 4034 of the 3rd November 1881, corrected by No. 4185 of the 12th November 1881, directing the discharge of the 5 per cent debentures of 1867, payable on 1st June 1882, the undersigned has received instructions from the Government of India to arrange for the discharge of the debentures at any Treasury at which the interest on them may, in each case, have been payable before 1882.

Notes so presented for discharge should be receipted in the following form :—

"Received through the Treasury Officer of Rupees (in words) in discharge of this debenture."

The interest being first drawn under the usual procedure.

The Treasury Officer will forward the debentures thus receipted to the Public Debt Office, Calcutta, Madras or Bombay (according to the place of discharge mentioned in the body of the debenture)—from which, if the payment is passed, he will receive a special form of order on his own Treasury in favor of the holder. This order will be paid on the holder's receipt.

This arrangement ceases to have force on 1st December 1882, but does not affect the stipulation under which debentures are receivable during March, April, and May, at any Treasury, in satisfaction of any public revenue, dues or taxes.

J. WESTLAND,
Comptroller General.
